

 Faisal Ahmed's Picture

## Faisal Ahmed

### BTECH - Computer Science and Engineering

Galgotias University | 5th Semester | CGPA: 7.5

#### Education

BTECH in Computer Science and Engineering  
Galgotias University (2021 - Present)  
CGPA: 7.5

#### Skills

Programming Languages: C, C++, Java, Python

Web Development: HTML, CSS, JavaScript

Databases: MySQL, MongoDB

Tools: Git, GitHub, Visual Studio Code, Eclipse

#### Projects

**Blog Website:** Developed a fully functional blog website using HTML, CSS, and JavaScript. The platform allows users to create, edit, and delete blog posts. It features a clean, responsive design and integrates with a backend to manage user authentication and content storage.

**Phonebook Application:** Created a Python-based application to manage contact information. Users can add, search, update, and delete contacts. It features a simple command-line interface and file-based data storage for persistence.

#### Extracurricular Activities

Member, Coding Club, Galgotias University

Active participant in inter-college hackathons
